To Whom it May Concern,

Re: Rental Appraisal for 26 Lobelia Crescent, Casuarina NSW 2487

I have conducted a desktop appraisal on the above property.

Having regard to permanent rentals of similar properties in the area we are of the opinion that if placed on the rental market today \$750 per week rental income could be achieved. This home is located on in a quiet crescent street with easy access to beach, creek and local amenities and shopping.

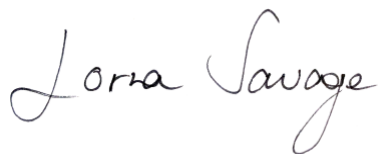

This home comprises of 4 bedrooms and open living zones with low maintenance gardens, appealing to both holiday and permanent tenants.

This is a personal opinion only and should not be used by any third party without written authority.

Vacancy rates are extremely low in Casuarina and investors enjoy excellent permanent and holiday rental returns if managed correctly. Please be advised that this appraisal may vary depending on the supply and demand of tenants and properties at the time of renting.
