To Whom it May Concern,

Re: Rental Appraisal for 7 Julius Place, Kingscliff NSW 2487

Having regard to permanent rentals of similar properties in the area we are of the opinion that if placed on the rental market today \$1,000 - \$1,100 per week rental income could be achieved.

This home is built in a highly sought after area with great accessibility to the beach, shops and café precinct, which would appeal to both permanent and holiday rentals.

This is a personal opinion only and should not be used by any third party without written authority.

Vacancy rates are extremely low in Kingscliff and investors enjoy excellent permanent and holiday rental returns if managed correctly. Please be advised that this appraisal may vary depending on the supply and demand of tenants and properties at the time of renting.
