To Whom it May Concern,

Re: Rental Appraisal for 734 Casuarina Way, Casuarina NSW 2487

Having regard to permanent rentals of similar properties in the area we are of the opinion that if placed on the rental market today \$1,100 - \$1,200 per week rental income could be achieved.

This is a large property with 6 bedrooms with large upstairs verandah and multiple living areas. This property also has a double car garage and space for further off-street parking and is situated in a highly sought after area with great accessibility to the beach, shops and facilities, which would appeal to both permanent and holiday rentals.

This is a personal opinion only and should not be used by any third party without written authority.

Vacancy rates are extremely low in Casuarina and investors enjoy excellent permanent and holiday rental returns if managed correctly. Please be advised that this appraisal may vary depending on the supply and demand of tenants and properties at the time of renting.
