In particular, a purchaser should—

- (a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and
- (b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

 - (a) for an off the plan contract—the tenth business day after the day on which the contract was made, or
 - (b) in any other case—the fifth business day after the day on which the contract was made.
- 3 There is NO COOLING OFF PERIOD—
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor, or the vendor's solicitor or agent, a certificate that complies with the Act, section 66W, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under the Act, section 66ZG.
- A purchaser exercising the right to cool off by rescinding the contract forfeits 0.25% of the purchase price of the property to the vendor.

- 3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
- 4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
- 5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
- 6. Most purchasers will have to pay transfer duty (and, sometimes, if the purchaser is not an Australian citizen, surcharge purchaser duty) on this contract. Some purchasers may be eligible to choose to pay first home buyer choice property tax instead of transfer duty. If a payment is not made on time, interest and penalties may be incurred.
- 7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
- 8. The purchaser should arrange insurance as appropriate.
- 9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
- 10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
- 11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
- 12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the property for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any legislation that cannot be excluded.

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
- 2.2 Normally, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit by
 - 2.4.1 giving cash (up to \$2,000) to the *depositholder*;
 - 2.4.2 unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*, or
 - 2.4.3 electronic funds transfer to the *depositholder*'s nominated account and, if requested by the vendor or the *depositholder*, providing evidence of that transfer.
- 2.5 The vendor can terminate if -
 - 2.5.1 any of the deposit is not paid on time;
 - 2.5.2 a *cheque* for any of the depositis not honoured on presentation; or
 - 2.5.3 a payment under clause 2.4.3 is not received in the *depositholder*'s nominated account by 5.00 pm on the third *business day* after the time for payment.

This right to terminate is lost as soon as the deposit is paid in full.

- 2.6 If the vendor accepts a *deposit-bond* for the deposit, clauses 2.1 to 2.5 do not apply.
- 2.7 If the vendor accepts a *deposit-bond* for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.
- 2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
- If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

- 3.1 This clause applies only if the vendor accepts a *deposit-bond* for the deposit (or part of it).
- 3.2 The purchaser must provide the *deposit-bond* to the vendor's *solicitor* (or if no solicitor the *depositholder*) at or before the making of this contract and this time is essential.
- 3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.
- 3.4 The vendor must approve a replacement deposit-bond if
 - 3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond*; and
 - 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to terminate. The right to terminate is lost as soon as
 - 3.5.1 the purchaser serves a replacement deposit-bond; or
 - 3.5.2 the deposit is paid in full under clause 2.
- 3.6 Clauses 3.3 and 3.4 can operate more than once.

- 3.7 If the purchaser serves a replacement deposit-bond, the vendor must serve the earlier deposit-bond.
- 3.8 The amount of any deposit-bond does not form part of the price for the purposes of clause 16.5.
- The vendor must give the purchaser any original deposit-bond 3.9
 - 3.9.1 on completion: or
 - 3.9.2 if this contract is rescinded.
- 3.10 If this contract is terminated by the vendor –
 - 3.10.1 normally, the vendor can immediately demand payment from the issuer of the deposit-bond; or
 - 3.10.2 if the purchaser serves prior to termination a notice disputing the vendor's right to terminate, the vendor must forward any original deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.
- 3.11 If this contract is *terminated* by the purchaser –
 - 3.11.1 normally, the vendor must give the purchaser any original deposit-bond; or
 - 3.11.2 if the vendor serves prior to termination a notice disputing the purchaser's right to terminate, the vendor must forward any original deposit-bond (or its proceeds if called up) to the depositholder as stakeholder.

Electronic transaction

- 4 1 This Conveyancing Transaction is to be conducted as an electronic transaction unless -
 - 4.1.1 the contract says this transaction is a manual transaction, giving the reason, or
 - 4.1.2 a party serves a notice stating why the transaction is a manual transaction, in which case the parties do not have to complete earlier than 14 days after service of the notice, and clause 21.3 does not apply to this provision,

and in both cases clause 30 applies.

- If, because of clause 4.1.2, this Conveyancing Transaction is to be conducted as a manual transaction 4.2
 - 4.2.1 each party must
 - bear equally any disbursements or fees; and
 - otherwise bear that party's own costs;

incurred because this Conveyancing Transaction was to be conducted as an electronic transaction; and

- if a party has paid all of a disbursement or fee which, by reason of this clause, is to be borne 4.2.2 equally by the parties, that amount must be adjusted under clause 14.
- 4.3
- The parties must conduct the electronic transaction 4.3.1 in accordance with the participation rules and the ECNL; and
 - 4.3.2 using the nominated ELN, unless the parties otherwise agree. This clause 4.3.2 does not prevent a party using an ELN which can interoperate with the nominated ELN.
- A party must pay the fees and charges payable by that party to the ELNO and the Land Registry. 4.4
- Normally, the vendor must within 7 days of the contract date create and populate an Electronic Workspace 4.5 with title data and the date for completion, and invite the purchaser to the Electronic Workspace.
- If the vendor has not created an *Electronic Workspace* in accordance with clause 4.5, the purchaser may 4.6 create and populate an Electronic Workspace and, if it does so, the purchaser must invite the vendor to the Electronic Workspace.
- The parties must, as applicable to their role in the Conveyancing Transaction and the steps taken under 4.7 clauses 4.5 or 4.6
 - promptly join the *Electronic Workspace* after receipt of an invitation; 4.7.1
 - create and populate an electronic transfer, 4.7.2
 - 4.7.3 invite any discharging mortgagee or incoming mortgagee to join the Electronic Workspace; and
 - populate the Electronic Workspace with a nominated completion time. 4.7.4
- 4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
- The vendor can require the purchaser to include a covenant or easement in the electronic transfer only if this 4.9 contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
- If the purchaser must make a GSTRW payment or an FRCGW remittance, the purchaser must populate the 4.10 Electronic Workspace with the payment details for the GSTRW payment or FRCGW remittance payable to the Deputy Commissioner of Taxation at least 2 business days before the date for completion.
- 4.11 Before completion, the parties must ensure that
 - all electronic documents which a party must Digitally Sign to complete the electronic transaction are 4.11.1 populated and Digitally Signed;
 - all certifications required by the ECNL are properly given; and 4.11.2
 - they do everything else in the Electronic Workspace which that party must do to enable the 4.11.3 electronic transaction to proceed to completion.
- If the computer systems of any of the Land Registry, the ELNO, Revenue NSW or the Reserve Bank of 4.12 Australia are inoperative for any reason at the completion time agreed by the parties, a failure to complete this contract for that reason is not a default under this contract on the part of either party.

- 4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties*, and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring
 - 4.13.1 all electronic documents Digitally Signed by the vendor and any discharge of mortgage, withdrawal of caveat or other electronic document forming part of the Lodgment Case for the electronic transaction are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land; and
 - 4.13.2 the vendor is taken to have no legal or equitable interest in the *property*.
- 4.14 If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things
 - 4.14.1 holds them on completion in escrow for the benefit of; and
 - 4.14.2 must immediately after completion deliver the documents or things to, or as directed by; the *party* entitled to them.

5 Requisitions

- 5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.
- 5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by serving it
 - 5.2.1 if it arises out of this contract or it is a general question about the *property* or title *within* 21 days after the contract date:
 - 5.2.2 if it arises out of anything *served* by the vendor *within* 21 days after the later of the contract date and that *service*: and
 - 5.2.3 in any other case within a reasonable time.

6 Error or misdescription

- 6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by serving it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion —

- 7.1 the vendor can rescind if in the case of claims that are not claims for delay
 - 7.1.1 the total amount claimed exceeds 5% of the price;
 - 7.1.2 the vendor serves notice of intention to rescind; and
 - 7.1.3 the purchaser does not serve notice waiving the claims within 14 days after that service; and
- 7.2 if the vendor does not rescind, the parties must complete and if this contract is completed
 - 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
 - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

- 8.1 The vendor can rescind if
 - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
 - 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
 - 8.1.3 the purchaser does not serve a notice waiving the requisition within 14 days after that service.

- 8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination*
 - 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract:
 - 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
 - 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can —

- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause
 - 9.2.1 for 12 months after the *termination*: or
 - 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either -
 - 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover
 - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
 - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
 - 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

- 10.1 The purchaser cannot make a claim or requisition or rescind or terminate in respect of
 - 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
 - a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
 - 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
 - 10.1.4 any change in the *property* due to fair wear and tear before completion;
 - 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
 - 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
 - 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
 - 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
 - anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).
- 10.2 The purchaser cannot rescind or terminate only because of a defect in title to or quality of the inclusions.
- 10.3 Normally, the purchaser cannot make a claim or requisition or rescind or terminate or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –

- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for
 - 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
 - a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

- 13 Goods and services tax (GST)
- Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7)
 - 13.3.1 the party must adjust or pay on completion any GST added to or included in the expense; but
 - the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern
 - the *parties* agree the supply of the *property* is a supply of a going concern;
 - the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
 - if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows
 - if within 3 months of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the depositholder is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
 - if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 Normally, the vendor promises the margin scheme will not apply to the supply of the property.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply-
 - 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 - the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of
 - a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if 13.8.1 this sale is not a taxable supply in full; or
 - 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent
 - 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
 - the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the vendor *serves* details of a *GSTRW payment* which the purchaser must make, the purchaser does not have to complete earlier than 5 *business days* after that *service* and clause 21.3 does not apply to this provision.
- 13.14 If the purchaser must make a *GSTRW payment* the purchaser must, at least 2 *business days* before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.

14 **Adjustments**

- 14.1 Normally, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the adjustment date after which the purchaser will be entitled and liable.
- 14.2 The parties must make any necessary adjustment on completion, and -
 - 14.2.1 the purchaser must provide the vendor with adjustment figures at least 2 business days before the date for completion; and
 - 14.2.2 the vendor must confirm the adjustment figures at least 1 business day before the date for completion.
- If an amount that is adjustable under this contract has been reduced under legislation, the parties must on 14.3 completion adjust the reduced amount.
- 14.4 The parties must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the adjustment date
 - only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor 14.4.1 in title) and this contract says that land tax is adjustable:
 - 14.4.2 by adjusting the amount that would have been payable if at the start of the year
 - the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- The parties must not adjust any first home buyer choice property tax. 14.5
- If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the 14.6 parties must adjust it on a proportional area basis.
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the adjustment date, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the adjustment date.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the property or any adjoining footpath or road.

15 **Date for completion**

The parties must complete by the date for completion and, if they do not, a party can serve a notice to complete if that party is otherwise entitled to do so.
