To Whom it May Concern,

Re: Rental Appraisal for 4/2-10 Kamala Crescent, Casuarina NSW 2487

Having regard to permanent rentals of similar properties in the area we are of the opinion that if placed on the rental market today \$550 - \$600 per week rental income could be achieved.

This is a stunningly renovated 1 bedroom apartment with open plan living area, private courtyard and swim up option to the resort pool. This property also has a designated car garage and space for further off-street parking and is situated in a highly sought after area with great accessibility to the beach, shops and facilities, which would appeal to both permanent and holiday rentals.

This is a personal opinion only and should not be used by any third party without written authority.

Vacancy rates are extremely low in Casuarina and investors enjoy excellent permanent and holiday rental returns if managed correctly. Please be advised that this appraisal may vary depending on the supply and demand of tenants and properties at the time of renting.

If you have any questions or require further information, please feel free to contact us.
