To Whom it May Concern,

**Re: Rental Appraisal for 34 Nautilus Way, Kingscliff**

Having regard to permanent rentals of similar properties in the area we are of the opinion that if placed on the rental market today \$585 - \$600 per week rental income could be achieved.

This is a near new one bedroom, one bathroom property with a single lock up garage and internal access in a fantastic location just one street back from the beach.

This is a personal opinion only and should not be used by any third party without written authority.

Vacancy rates are extremely low in Kingscliff and investors enjoy excellent permanent and holiday rental returns if managed correctly. Please be advised that this appraisal may vary depending on the supply and demand of tenants and properties at the time of renting.

If you have any questions or require further information, please feel free to contact us.

Kind Regards,
