Dear Rental Property Investor

## **Rental Appraisal: 14 Quigley Road, Bolton Point NSW 2283**

Thank you for the opportunity to provide you with a rental assessment for the abovementioned property.

Our opinion is based on the current supply and demand for similar properties and looking at comparative rents achieved in the surrounding areas.

We also take into consideration, décor, fixtures, fittings, wear and tear, street presentation and surrounding properties.

If the home was to be offered on the current rental market, I believe it would achieve the following.

**A current return of \$700 -\$750 pw, or up to \$39,000 per year**

Although every care has been taken in arriving at this figure, we stress that this is an opinion of a reasonable asking price only and not to be taken as a sworn valuation.
